

**MEMORANDUM OF UNDERSTANDING**  
**between**  
**GRADUATE SCHOOL OF NANOBIOSCIENCE**  
**YOKOHAMA CITY UNIVERSITY, JAPAN**  
**and**  
**FACULTY OF SCIENCE**  
**UBON RATCHATHANI UNIVERSITY, THAILAND**

The Graduate School of Nanobioscience, Yokohama City University, Japan (located at 22-2 Seto, Kanazawa-ku, Yokohama, Kanagawa, Japan) and the Faculty of Science, Ubon Ratchathani University, Thailand (located at 85 Sathonlamark Road, Warin Chamrap District, Ubon Ratchathani Province, Thailand) recognizing the benefits to their respective universities from the establishment of international links, affirm this Memorandum of Understanding (MOU).

The purpose of this MOU is to develop academic and educational cooperation and to promote mutual understanding between the two parties. Both parties agree to develop the following collaborative activities in academic areas of mutual interest, on a basis of equality and reciprocity. It is understood that the implementation of any of the types of cooperation stated in this MOU shall depend upon the availability of resources and financial support at the institutions concerned.

- (1) Exchange of faculty, researchers and other research and administrative staff
- (2) Exchange of students
- (3) Collaborative research projects and symposia
- (4) Exchange of academic information and materials
- (5) Other academic cooperation as mutually agreed

The development and implementation of specific activities based on this MOU will be separately negotiated and agreed upon in writing by both parties prior to the initiation of each program or activity. Both parties agree to carry out these activities in accordance with the laws and regulations of the respective countries after full consultation and approval by both parties.

This MOU is valid for a period of 5 (five) years from the later date of signing by the representatives of both parties. Either party may terminate the MOU or request the renegotiation of its conditions by giving written notice to the other party 6 (six) months in advance.

Professor Dr. Masaru Tachibana  
Dean  
Graduate School of Nanobioscience  
Yokohama City University

Date: 11 Oct. 2019

  
Assistant Professor Dr. Charida Pukahuta  
Dean  
Faculty of Science  
Ubon Ratchathani University
