

**Memorandum of Understanding  
between  
Ubon Ratchathani University  
and the  
University of Guelph**

In order to facilitate international academic cooperation, Ubon Ratchathani University and the University of Guelph agree to cooperate in:

1. Student exchanges (at both undergraduate and graduate levels)
2. Research in disciplines and research areas of mutual interest
3. University personnel visits and exchanges (for both academic and non-academic university staff)
4. Degree training (at both undergraduate and graduate levels, where appropriate)
5. Exchange of academic materials such as calendars, prospectuses and handbooks, course outlines and publications

In support of the intent of this Memorandum of Understanding, both universities agree to elaborate specific areas of cooperation in formal agreements that specify the detailed terms and conditions of such collaboration.
